10. Price Lists and Catalogs

Agencies may contact authorized dealers or the contractors listed for catalogs, price lists, descriptive literature, fabric and color information.

This information should be furnished to any agency within seven (7) consecutive days after request of the agency. Failure to comply with these requirements may subject the contractor to removal from the contract.

11. Contractors

All known minority, women and disabled owned businesses, as well as disabled business enterprises and nonprofit work centers for the blind and severely disabled, including dealers, will be identified with "Minority owned" "Woman owned", "Disabled Owned", "DBE" or "BSD" as appropriate after the vendor number. This is being done in an effort to recognize these businesses and to encourage and promote their use to the greatest extent permitted by law.

When more than one supplier is listed for a particular item, selection should be made, whenever possible, from any of the groups identified above, consistent with agency needs and price considerations.

There is, however, a preference statute (G.S. 148-70) for Correction Enterprise products. For information on this preference requirement and a list of products, [click here](#).
